started
playing a little
game between
the two of us

Perhaps it's
because
the work for
student
council has
tired me out

I'm
going to
practice
now!

I think
I may have
changed
because of
Nicooni

SLAM...

Sometimes
we exchange
the key to
this drawer

so we can
read what
the other
has left
behind.

There is a
desk drawer
next to
the wall in
the student
council room.

Even so, this game makes me happy.

PPFT!

I dreamed that
Mio's ponytail got
pulled down. 

What kind
of dream was
that?

Let's
see.

And that's
all there is to
this game.

That's why I want to

enjoy more and more of Nozomi's gentleness.

Secretly inside my heart,

I've decided to remember
all the things she's told me about.

It's nothing.

How rare!
Maki-chan
never comes
here on her
own.

Our
class rep
is sick
today.

Oh?

I'm just bringing
materials here
because.

Ahhh...

What do
you mean
by "back
then"?

You're no
longer the
same Maki-
chan from
back then,
huh?

You really
have been
changed

by the
people
around
you

I don't want
to hear that
from you!

You sure
have
changed a
lot!

But...

That's
true...

I mean the
vice president!
The vice
president!

You mean
everyone in
Muss?

But
Muss-chan...

Ahh. You're
right

That's
a good
answer

Thank you

And I'm sorry that I haven't done enough for Kizome in return

This is really embarrassing!

Wow.

Really?

Ah.

Really, really!

aren't I being sly?

That's not true!

Enoch has done plenty of things for me!

It's not really fair if I'm the one who's always being helped, right? I mean, we're

Help, help

..Yeah
You're
right!

I'm just using Nozomi
to convince myself.

friends,
right?

and Nozomi
by my side.

You know, I
enjoy the time
I've spent with
the others

The fact that I was hiding
my real feelings

I also

and trying to keep my distance
that day.. Nozomi didn't
realize it, did she?

I'm also
enjoying it

.....

I like you sorry.

I

I'd like that

Can you really stay by my side?

But right now...

I want you right in front of me

You idiot!

That's a good excuse!

That's because of the sunset

My face is so red.

It's good that we don't have practice today

Yes?

Ench.

COLORFUL VOICE ループから抜け出せません。

あとがき

最近ライブ見るたびに嘔吐したり笑ったりで嘔吐する週末を送っています。
みなさんいかがお過ごしでしょうか。

こんにちは、D番です。
のぞえり本です。出ました。
既産でした。

書き始め当初の予定より大幅に内容が変わりました。
随分さの引き出してお手紙交換かわいくない？
とか思ってた書き始めたら勘らせました。

あと原稿中ずっと自分の描くエリチ力先輩に牛けてました。
のぞえりのイメージがなかなか固まらないうちに描くのは
よくないということが分かったのて暫段から
のぞえりのことを考えて生きていこうと思います。

最後に近況ですが、先日飛んてた蚊を殺そうと壁を叩いたら
掛け時計が落ちてきて掛け時計が壊れました。

蚊はつぶしました。

それでは蚊の増える季節になってきましたか
くれぐれも皆さん掛け時計にはお気をつけください。
